Dear MECR Students, Staff and Board,

I hope you are all doing well and enjoying the beginning of a new school year.

Part of our responsibility as a program that receives government funds through Title IV is to distribute an Annual Security Report. This report shows what crimes have been committed at MECR so that students are aware and can make informed choices about their safety. There was one bike theft from MECR in the summer of 2016. This is on the report on the website. Aside from the bike theft, I am happy to report that zero crimes have been committed at MECR in the past 3 years and actually for as long as we have been in the building at 4745 Walnut Street. In the 4700 block where MECR resides there have been 4 crimes in 2016 that the police know about: one phone scam/fraud at 4735 Walnut, two vehicle trespasses (break-ins) at 4775 Walnut and one burglary at 4775 Walnut. We are not required to report on the 4700 block, but I thought I'd add that to this report as it gives a bigger picture and confirms the belief that we work and study and learn in a safe neighborhood. We did have one other incident in 2017 when a student was walking on Boulder Creek Path near MECR and was grabbed inappropriately. We reported the incident to the Boulder police and they responded by patrolling the Boulder Creek Path by bike near where the incident occurred.

For the full report, please go to our website at www.mecr.edu and see under Financial Assistance the "Policies and Reports" tab. You may also cut and paste the below link. I have also attached information on the Jeanne Clery Act and our actual Crime Report to this email. Here is the link to the correct page on our website: <http://www.mecr.edu/wp/prospective-students/financial-assistance/policies-reports/>

If you have any questions at all about this report please don't hesitate to respond to this email or call me at 303-494-3002. I am happy to help.

My very best to all of you,

Susan
