September 30, 2021

Dear MECR Students, Staff and Board,

I hope you and yours are all doing well.

Part of our responsibility as a program that receives government funds through Title IV is to distribute an Annual Security Report. This report shows what crimes have been committed at MECR so that students are aware and can make informed choices about their safety. The location for MECR is now 3975 Martin Luther King Jr. Blvd, Denver, CO 80205. This has been our address since April 2021, so we have only been doing business in Denver for 5 months. The crime reporting for the current year is still asking for statistics from our old address, 4745 Walnut St., Boulder, CO 80301. MECR has no knowledge of any crimes being committed against MECR students or staff at either MECR location in the previous year. MECR requests a Police Report every year and the Police Reports also show no crimes at MECR. Clayton is a 20 acre park-like campus which has its own security personnel. Our building has a video surveillance system and an alarm system and is well supported by the Clayton staff. It is a campus where children are playing on the grounds and maintenance workers drive around on golf carts, overseeing the property. It is a campus of non-profit organizations dedicated to early childhood development. We will be able to offer a full report when we have been at our location for over a year, but we feel fortunate to be working on this lovely, intentional campus.

For the full report, please go to our website at www.mecr.edu and see the "Other Policies" link at the bottom of any page on the website. I have also attached information on the Jeanne Clery Act and our actual Crime Report to this email.

If you have any questions at all about this report please don't hesitate to respond to this email or call me at 303-494-3002. I am happy to help.

My very best to all of you,

Susan
